HORSEMANSHIP 1 – 3 Sessions, 9:00-12:00 each day

For the green horse and rider already comfortable in the snaffle bit along with aged horses needing continued work. This is the first stage of progressing into the bridle with all basic movements introduced. All levels of riders, no matter what discipline, will benefit. All maneuvers stress the vaquero style of riding and are appropriate for horses from first level snaffle to experienced bridle horses.

HORSEMANSHIP 2 – 3 Sessions, 1:30-4:30 each day

The next phase in the development of the versatile bridle horse. Horsemanship 2 introduces the rider to working the horse in the hackamore and beyond. The class involves working cattle and ranch roping so that all aspects in preparing the bridle horse-in-the-making are addressed.
